

LOUISIANA DEPARTMENT of
AGRICULTURE & FORESTRY

MIKE STRAIN, DVM *Commissioner*

January 8, 2025

To Federal and/or State Regulatory Officers

This is to certify that:

Spicy Exotics
Lafayette, LA. 70507

Tye Miller
441 West Gloria Suit Rd
Lafayette, LA. 70507
PH: 337-852-9969

is currently permitted as a nursery grower by the Louisiana Department of Agriculture and Forestry (LDAF). This will also certify that nursery stock produced and maintained by this nurseryman has been inspected and the nursery environs sampled annually by LDAF inspectors to facilitate compliance with the following Federal and State regulatory quarantines or actions.

Federal Imported Fire Ant Quarantine

California Section 3261 (Ozonium Root Rot)

California Section 3271 (Burrowing and Reniform Nematode)

Please accept this shipment of nursery stock into your state. If you have questions concerning this nurseries certification status, do not hesitate to contact me.

This certification expires January 31, 2026, unless renewed.

Mark Earl, Coordinator
Horticulture and Quarantine Programs
Ph. - 225/952-8100
